# Accessibility Testing Compliance Package

As an industry leader, QA Consultants is excited to help you become WCAG 2.0 Level AA / Section 508 compliant for all your websites and applications.

## Why it's important

*Becoming compliant is the right thing to do. If customers can't operate your site, your message becomes ineffective.*

*The downside to not being compliant:*

- Loss of customers/clients
- Poor reputation

## Deadlines

### WCAG 2.0

*Beginning January 1, 2021: all public websites and web content posted after January 1, 2012 must meet WCAG 2.0 Level AA other than criteria 1.2.4 (live captions) and 1.2.5 (pre-recorded audio descriptions).*

### Section 508

*Federal agencies will be required to comply with the revised Section 508 standards beginning on January 18, 2018.*

## What we bring

- *Strong and deep pool of Accessibility Testing QA and Consulting (SME) Resources*
- *Expert knowledge and understanding of the WCAG 2.0 / Section 508 guidelines*
- *Experience delivering WCAG compliance testing services to various clients including government agencies, Fortune 500 corporations, web design agencies, etc.*
- *Proven methodology for bringing web content up to compliance*
- *Industry leading compliance techniques which optimize efforts and timelines*
- *Utilize a real-user environment with the appropriate hardware, software, tools, and process that emulates the environment in which people with disabilities operate*
- *Specialized solution model which guides clients through the WCAG 2.0 / Section 508 compliance process, including working with creative and web design agencies, development teams, etc.*

## What you get

- Access to our expert knowledge base allowing you to comply quickly and efficiently at a great price
- Detailed reporting which enables concise and focused code changes to address defects and ensure client WCAG / Section 508 compliance
- Specialized solution model which guides you through the WCAG 2.0 / Section 508 compliance process, including working with creative and web design agencies, development teams, etc.

## When to Leverage

*Choose the Accessibility Testing compliance package when you are considering – or conducting – any of the following:*

- Planning to launch new/digital properties, (website or any online content)
- Updating current digital properties

## Track Record

*Since 1994, QA Consultants has been successfully delivering comprehensive testing solutions to North American companies, among them:*
